

NEW COMMERCIAL OFFICE AT **VEGA** VENICE SCIENCE AND TECHNOLOGY PARK

Cartindustria Veneta has acquired space in **Venice's VEGA science and technology campus**, after having been recognized as an **innovative company** with high technological content in production, research and services in the sector of paper for hygienic and domestic use.

PST VEGA

VEGA, one of Italy's most important science and technology parks, hosts 180 companies and has been promoting and developing scientific research initiatives for over ten years. It is a gateway facilitating and organizing relationships by providing suitable technical support. It is **strategically located** in the heart of North-eastern Italy's economic system, near the old town center of Venice, just a few minutes from Marco Polo International Airport, the commercial port, and major traffic ways.

CUSTOMER SERVICE

Cartindustria Veneta's primary objective is to **improve communication with its customers**.

For this reason, the purpose of the new commercial office is to make our services increasingly flexible and suitable to our customers' needs.

COMMERCIAL INITIATIVES

- > Product quotations within 24 hours
- > Samples shipped within 48 hours
- > Product studies and customized systems
- > Training courses for sales personnel
- > Communicating special promotions by e-mail and/or SMS.

Our Sales Manager, Luca Bastianetto, will be happy to meet with you at our VEGA office to introduce our new products and discuss the terms of collaboration agreements.

Plus, the same office also displays and handles products from our **Spring** subsidiary and our business partner, **QTS**.
